Low-Cost Offers for Every Partner

10 offers per venue type that bring guests in without hurting their finances

The rule for a good offer: it costs the venue little (a drink, a side, a small dessert), it runs at quiet times, or it only rewards people who already spent. **Venues choose their own offer**; these are ideas to suggest in your meeting.

Offer limits: Starter 1 active offer · Grow 3 · Main 5 · Premium unlimited · Multi-branch unlimited at every branch.
